

Hurricane Florence Response

The Conference Disaster Response Team is currently assessing how we as South Georgia United Methodists can best be of assistance following the destruction left in the wake of Hurricane Florence. As we continue to pray for those affected by this storm, here's what you need to know now:

Financial Donations: There are several ways to make a donation for disaster response relief. To aid with disasters within those Annual Conferences affected by Florence, your financial gifts can be made through your local church's offering or by sending a financial gift through the Conference Treasurer's Office earmarked Advance Special #6848 – Hurricane Florence. The address is PO Box 13145 / Macon, Georgia 31208. Financial gifts will make a significant impact on this disaster and toward future relief and long-term recovery efforts.

Early Response Teams: As soon as it is safe and possible, an invitation will come from the affected Annual Conferences and will be shared with the South Georgia Conference. The conference disaster response coordinators disseminate information about when Early Response Teams are needed as soon as possible. These teams work in coordination with county Emergency Management officials and local disaster response groups.

Cleaning Kits: UMCOR cleaning kits (flood buckets) will be needed in the weeks and months ahead. This is a great way to have all ages of your church involved in outreach. Your church can collect and assemble these relief kits. Instructions for the various kits can be found at www.umcor.org. There are several drop-off locations throughout the conference through the end of October. For a list, visit www.sgaumc.org/disasterresponse.

Help storm survivors with your gifts to:
Hurricane Florence #6848.
